

Aventurien / Steffen Brand

Drawing out of the land mass,
initial colors to indicate water

DIE GESTALT DERES

Aventurien / Steffen Brand

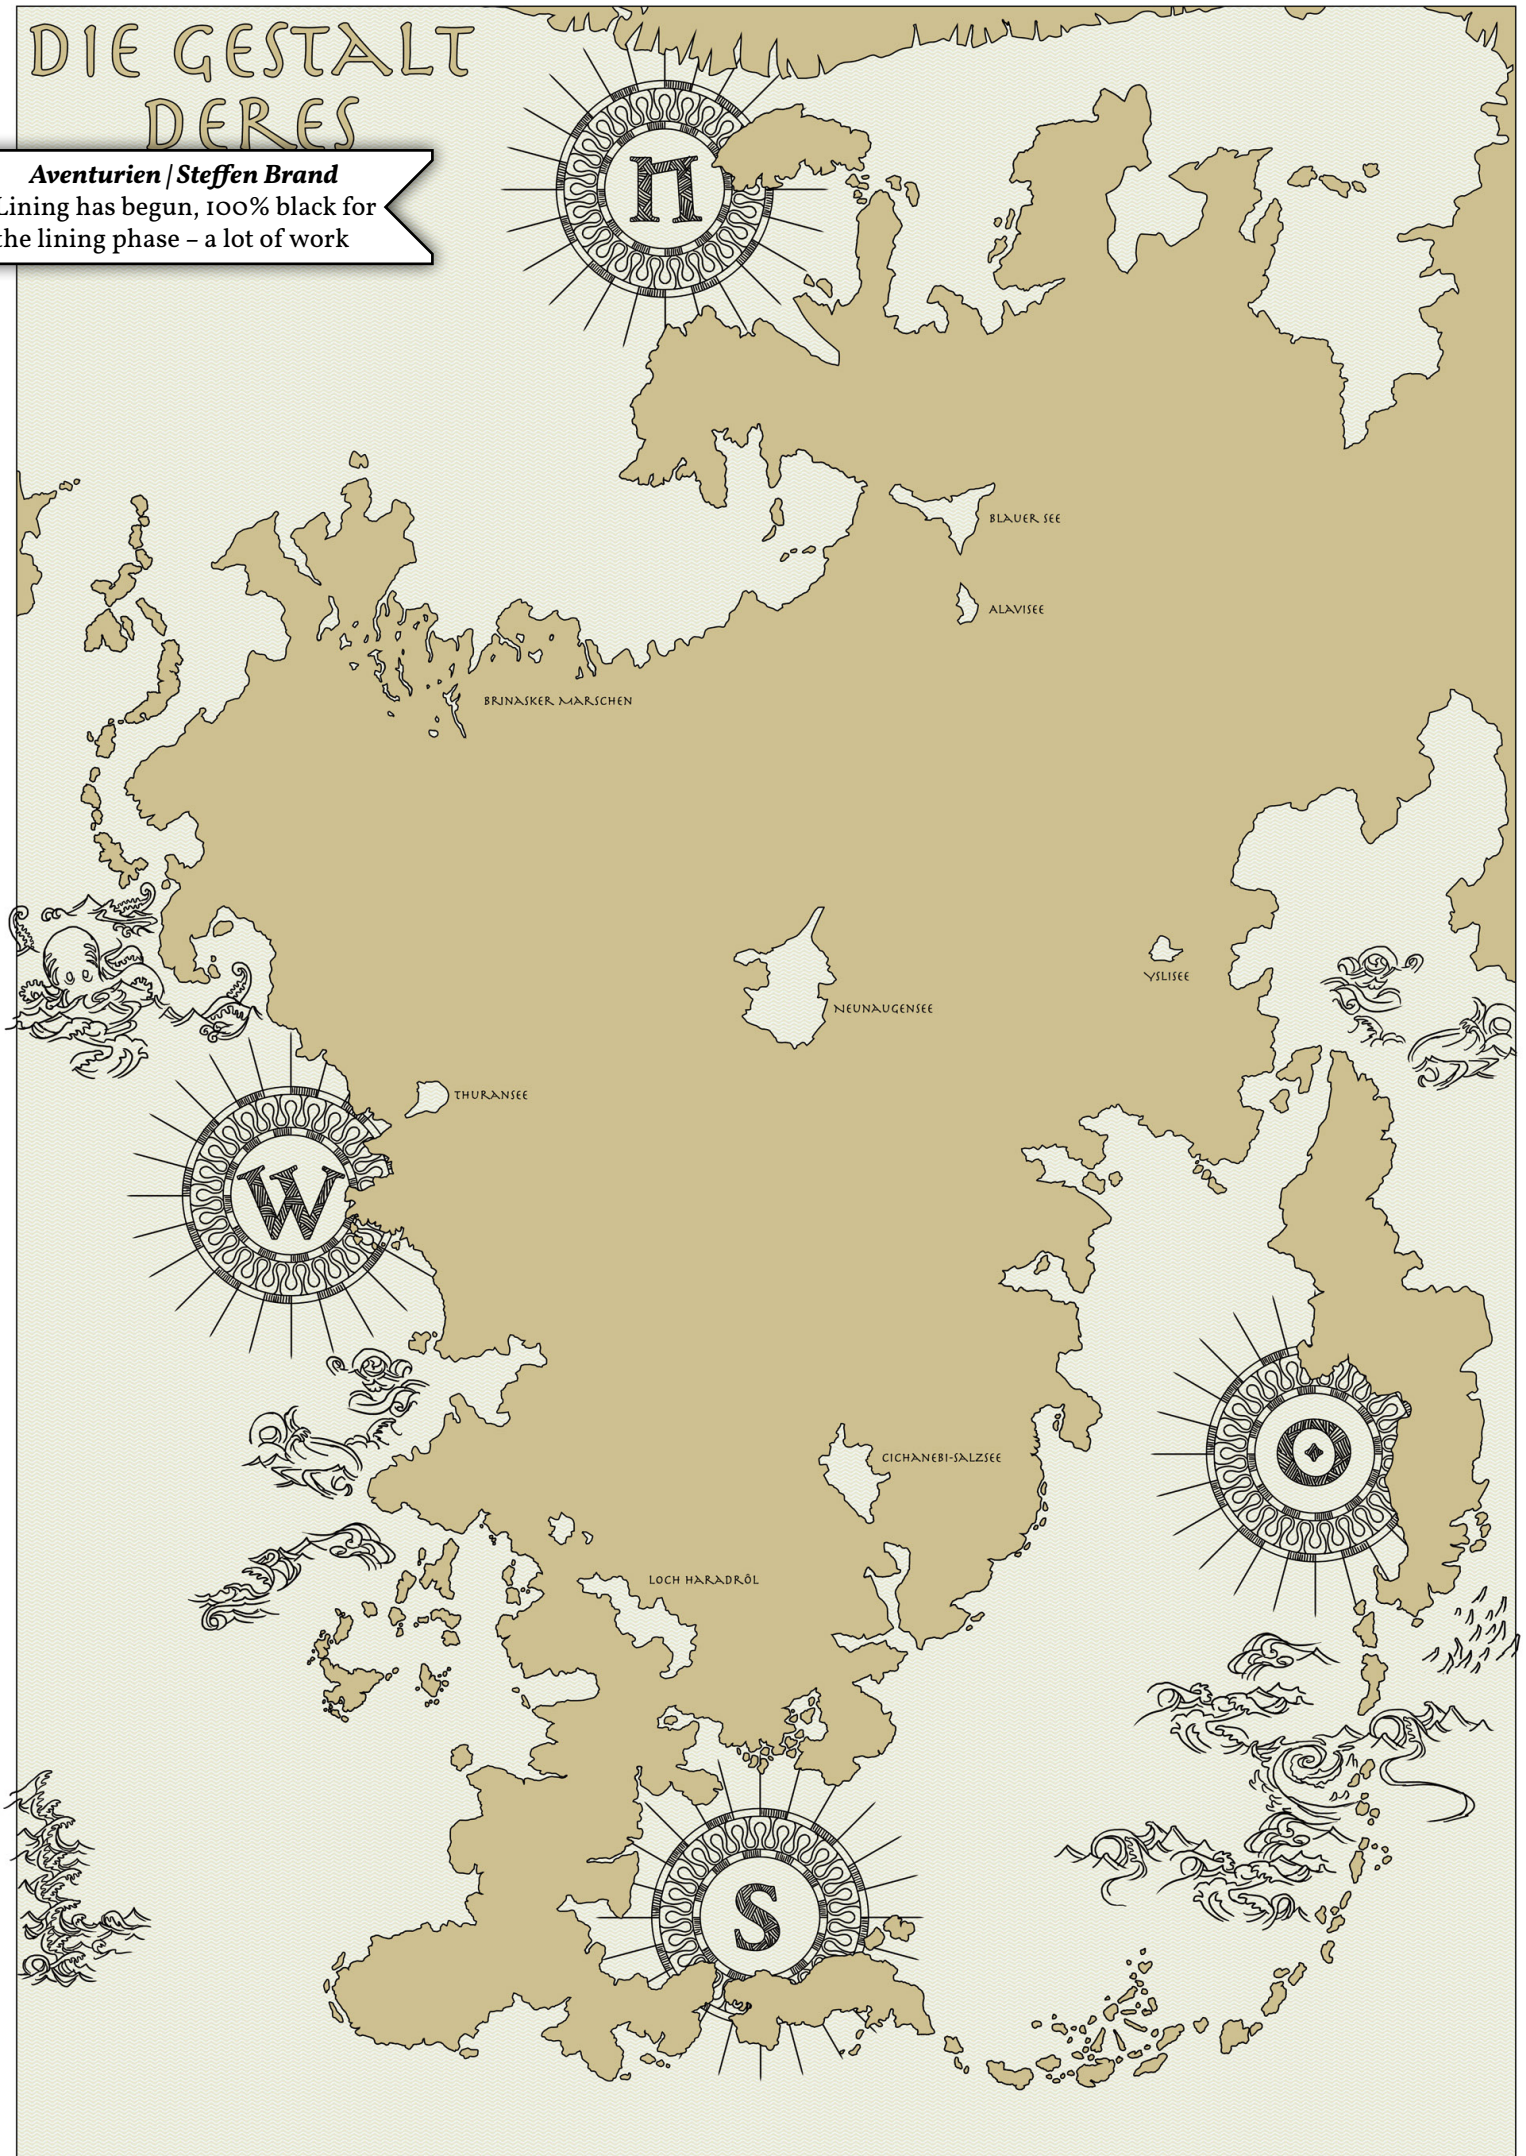

Warp shapes systematically to match possible in-time mistakes

DIE GESTALT DERES

Aventurien / Steffen Brand

Lining has begun, 100% black for the lining phase - a lot of work

DIE GESTALT DER ERDE

Aventurien / Steffen Brand

More lining, initial border design I didn't use in the end

DIE GESTALT DERES

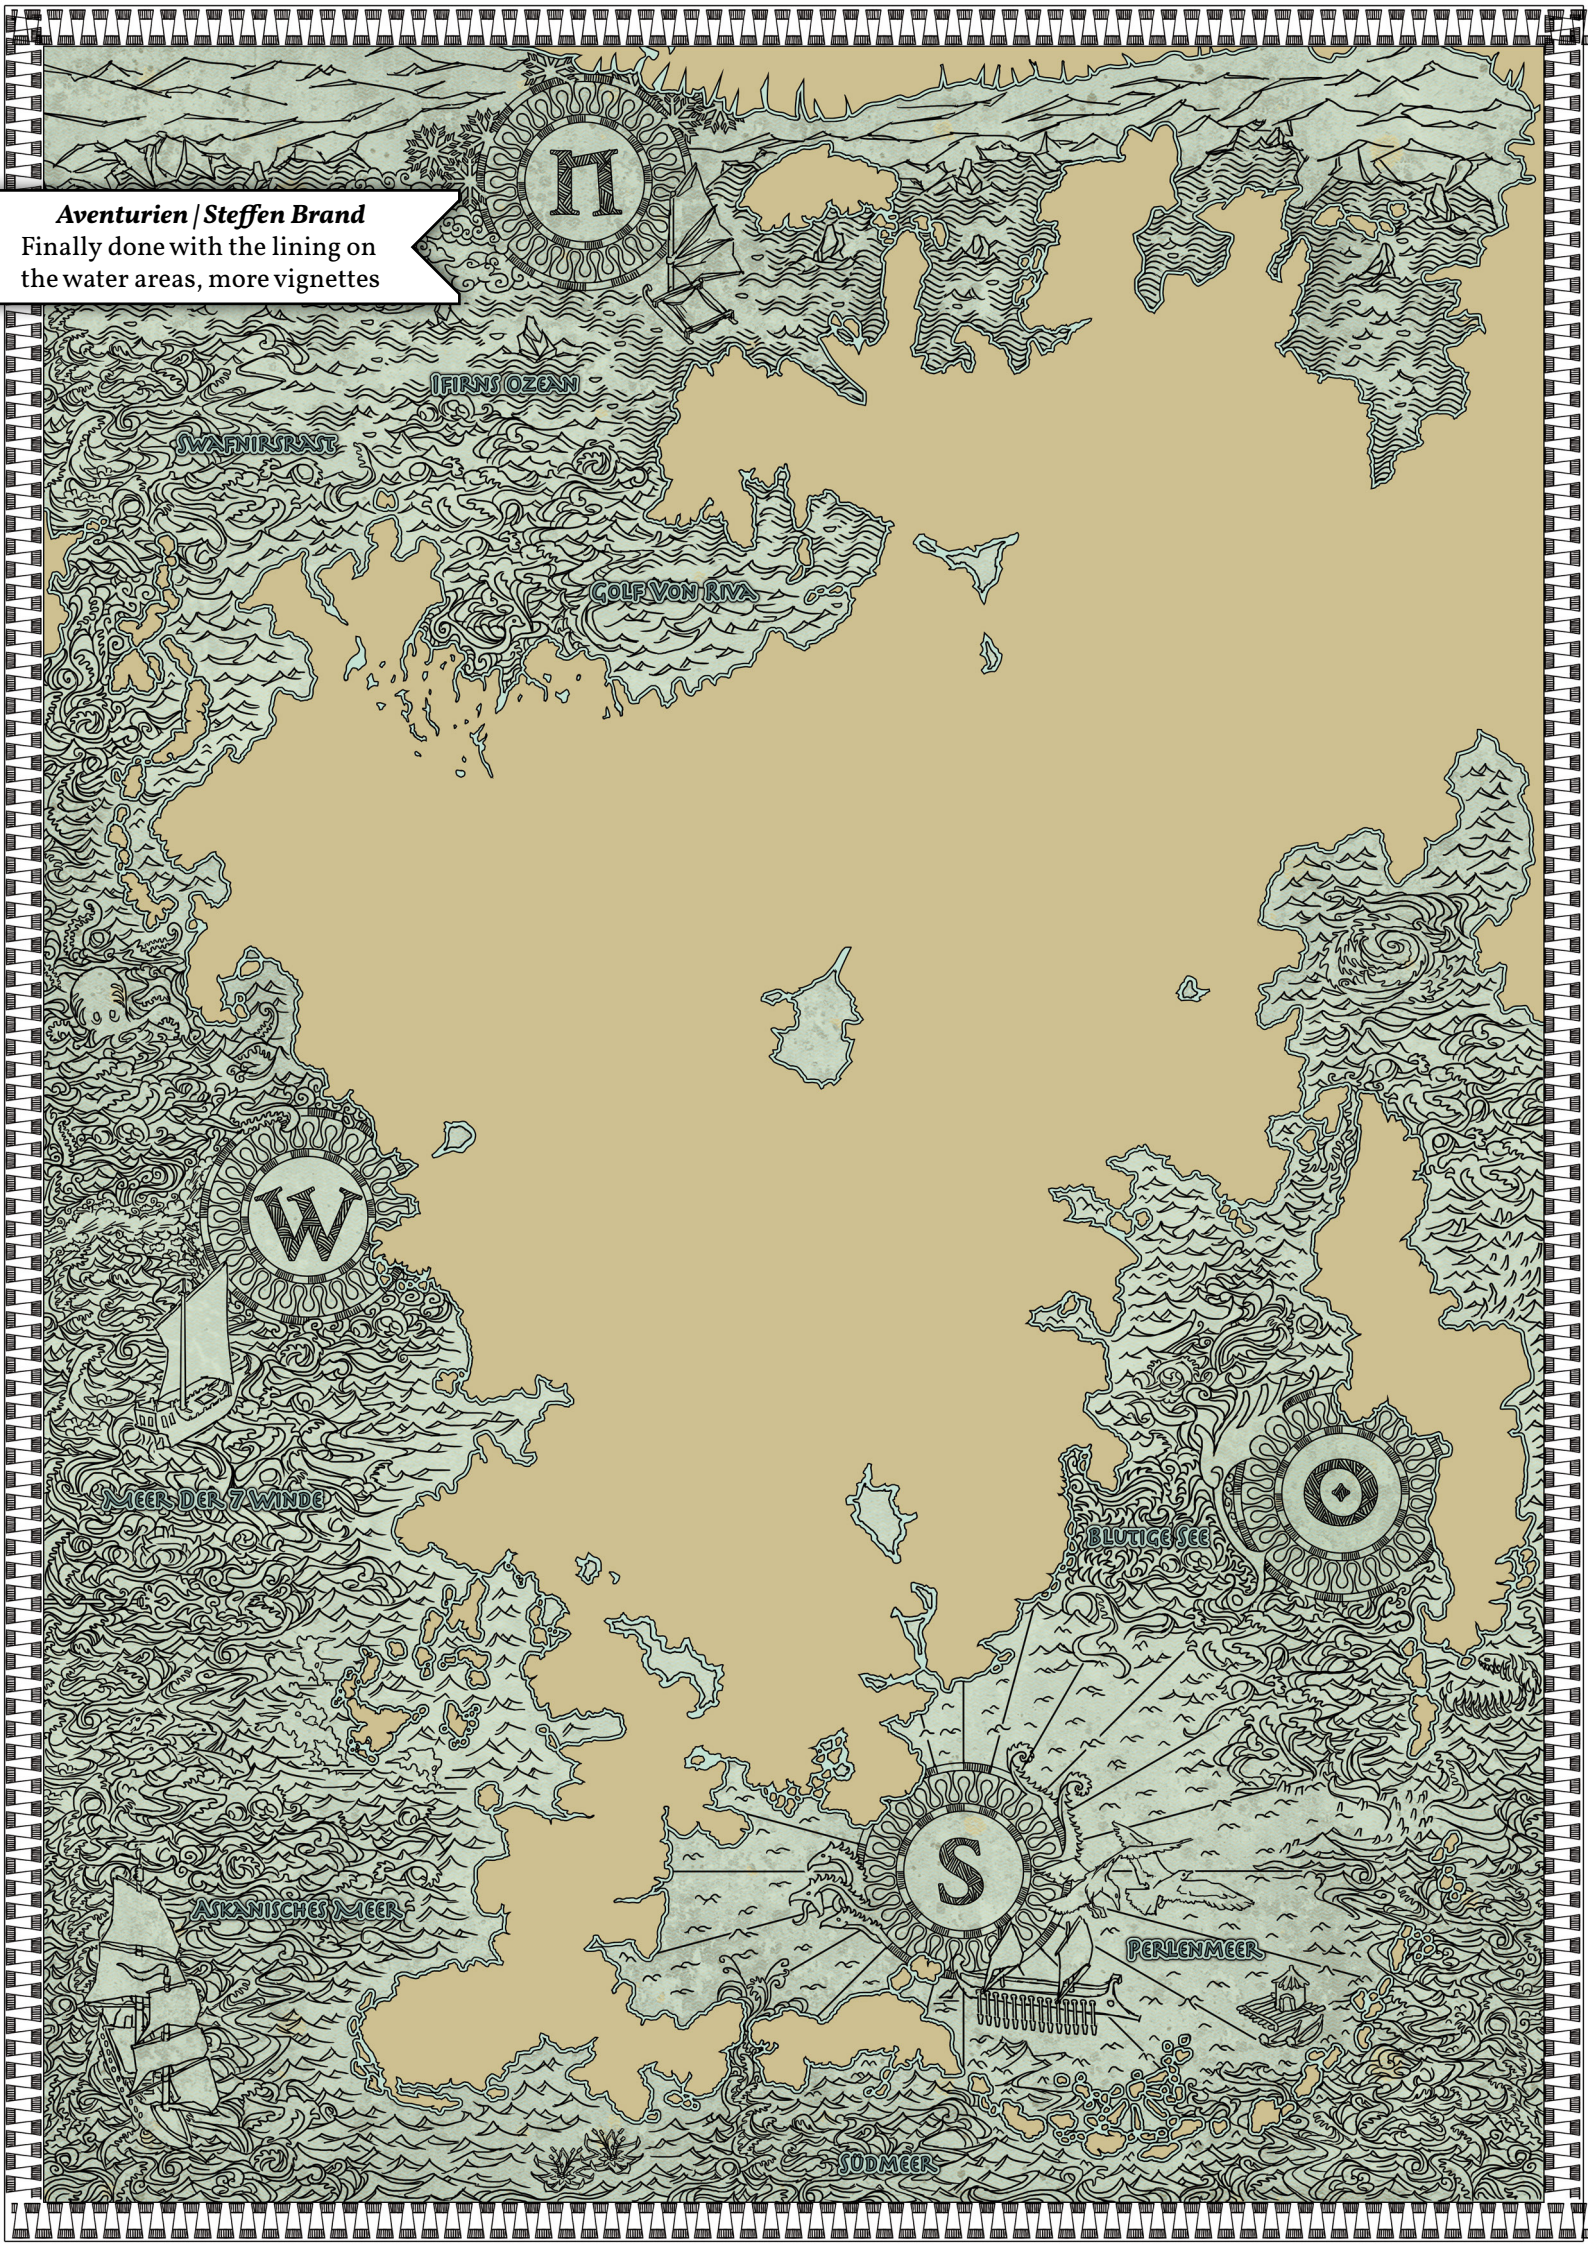

Aventurien / Steffen Brand

More lining, texturing of the water is getting more defined

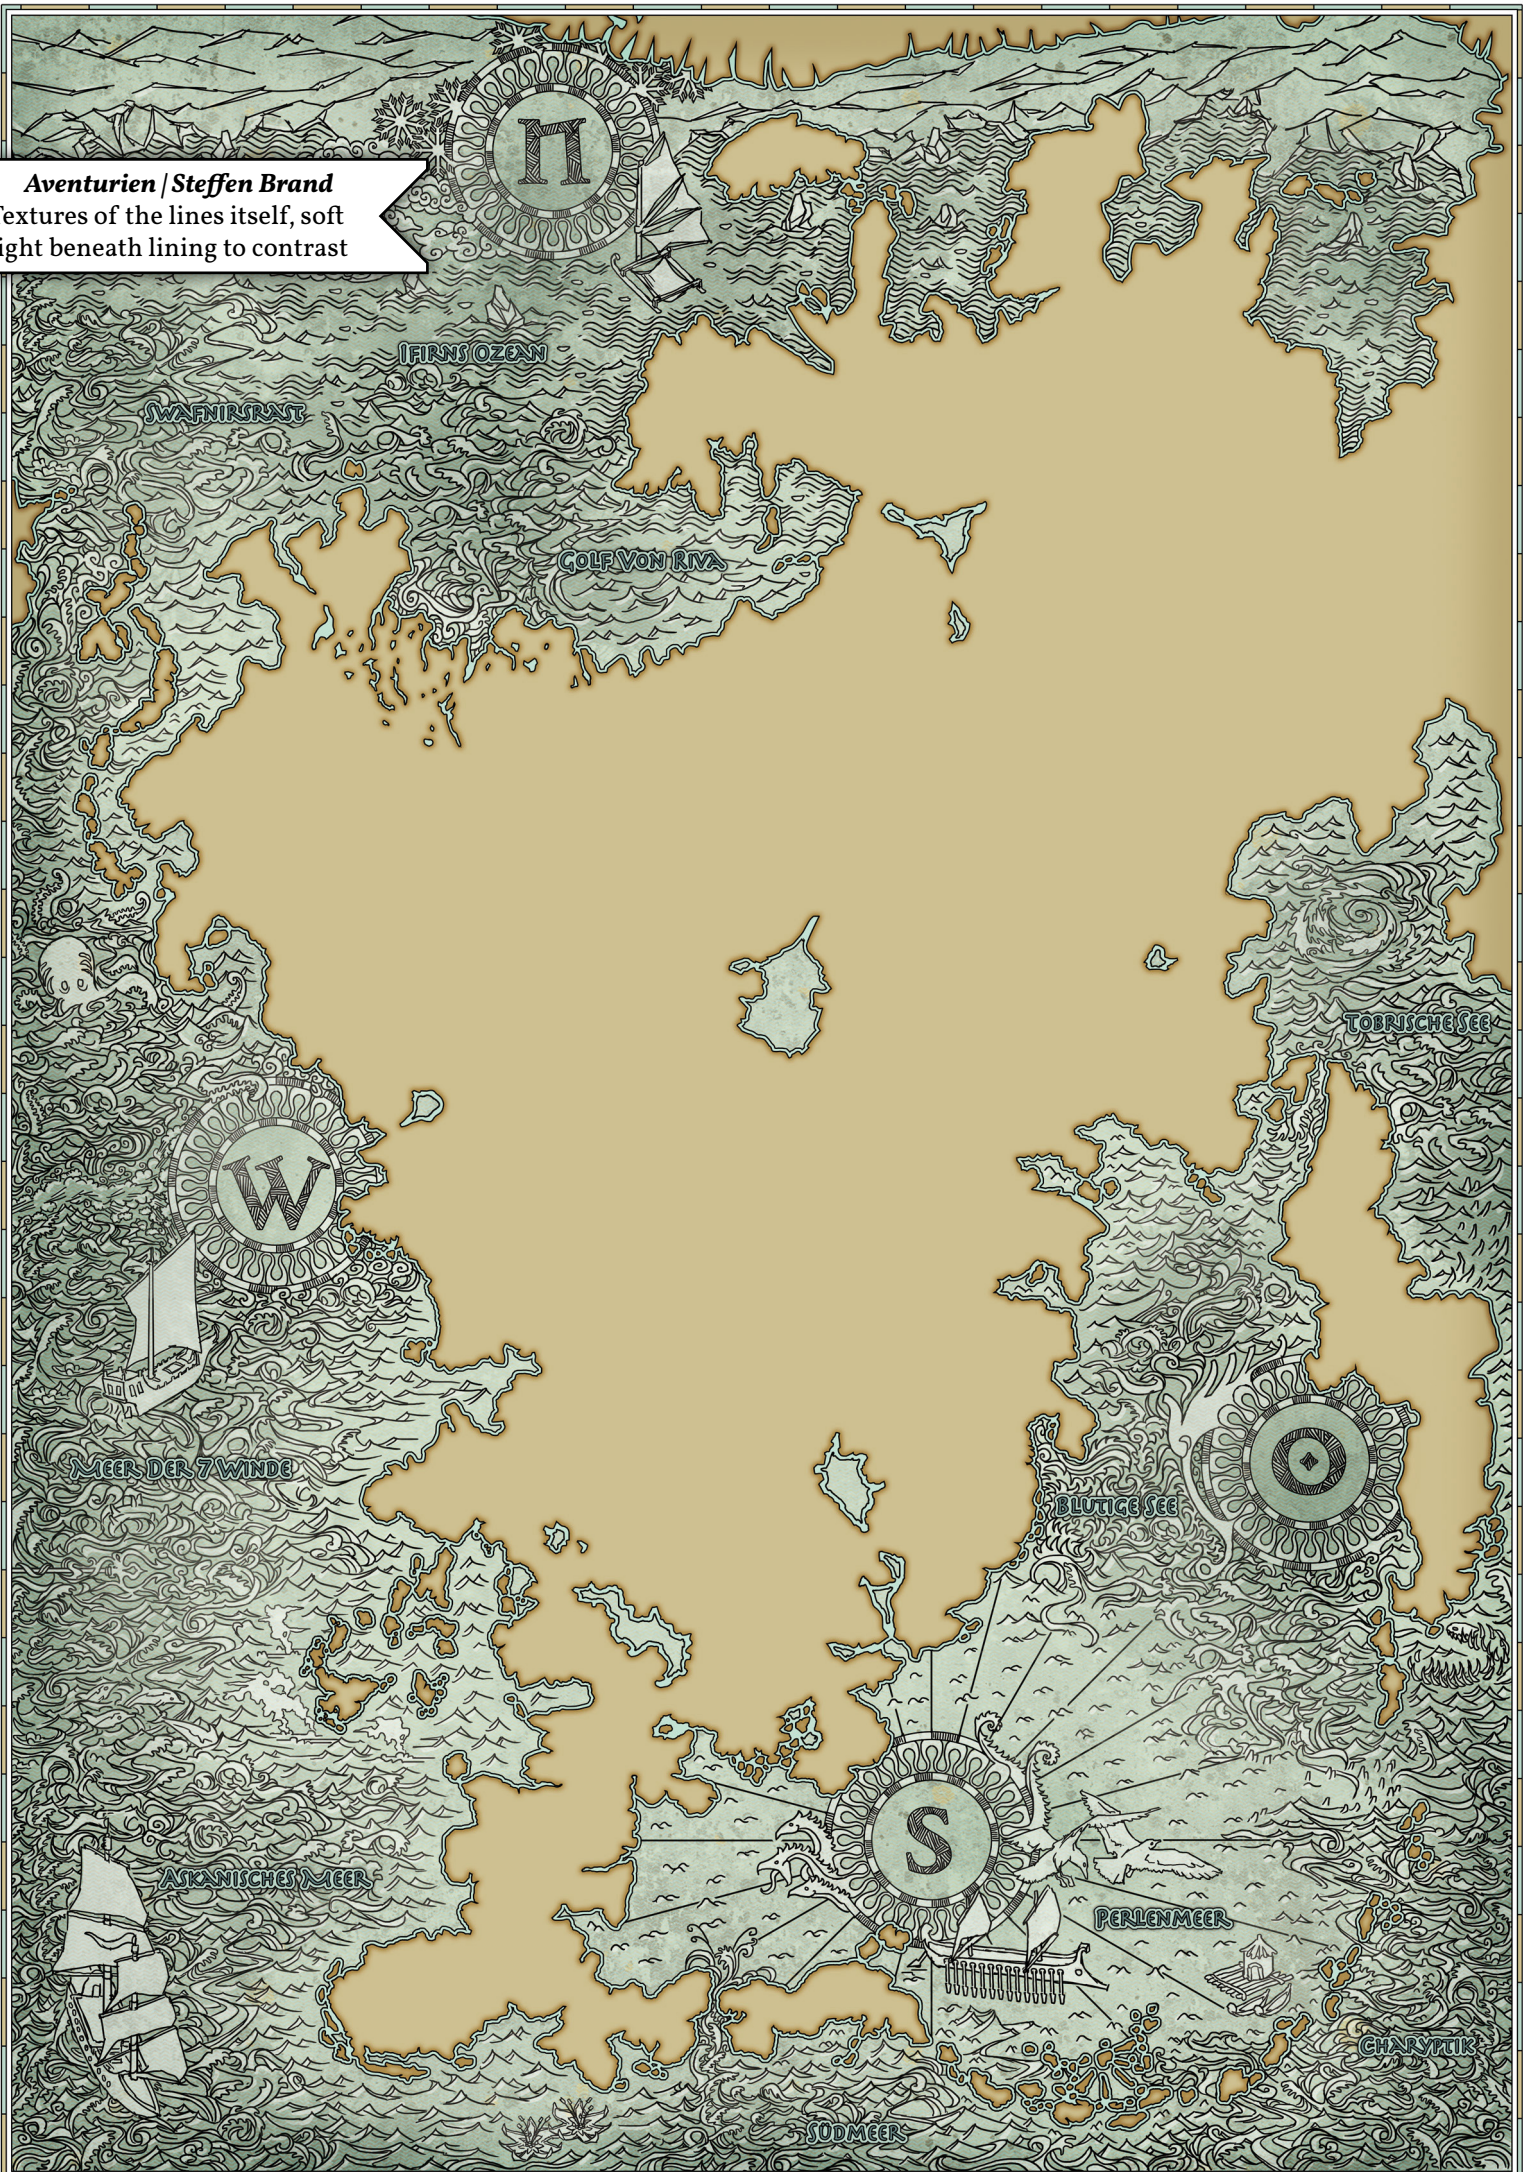

Aventurien / Steffen Brand

Finally done with the lining on the water areas, more vignettes

Aventurien / Steffen Brand

Textures of the lines itself, soft light beneath lining to contrast

Aventurien / Steffen Brand

Textures of the land mass,
naming more important cities

Aventurien / Steffen Brand

Details on the land, cultural motives in relation to the border

Aventurien / Steffen Brand

Small color corrections and additional details, nearly done...
